Press Statement

Some members of board of director of Puntland Non-state Actors Association **(PUNSAA)** convened an urgent meeting in Garowe on **16th /10/2017** where they condemned in the strongest terms about the devastating blast that happened in Zoobe junction in Mogadishu which killed so many innocent lives and left many more wounded.

The board members and the other members from the General Assembly of PUNSAA are sending heartfelt condolences to the Somali community in general and to the families of the victims in Zoobe junction in particular. We ask Allah to grant the wounded a fast recovery.

PUNSAA platform urges to the Somali people in General and also Puntland people in Particular wherever they are to stand with their brothers and sisters and help them to recover from such atrocious attack.

PUNSAA also advise to the Puntland Government to take an active role for the mobilization of the people to participate the emergency response and support to the victims.

PUSAA would also like to request that the Somali Government, state members and international community to take part in the emergency support to the victims.
